

SY26 | Boston Prep Uniform

At Boston Prep, our uniform is a symbol of our shared commitment to growth, equality, and the pursuit of excellence. We wear our uniform as a marker of our Phoenix identity through our virtues: *courage, compassion, respect, integrity, and perseverance*. How we dress sends the message that we are dedicated to developing into our Portrait of a Graduate: *independent thinkers, conscious contributors, creative problem solvers, and tenacious learners*. Let's wear it with pride.

We ask all students and families to commit to the Middle School and High School dress codes at all times when on our campus. The dress code is as follows:
